

13. **Smallwood, R.G.**, Prinz, P.N. and Vitiello, M.V.  
Circadian temperature rhythms in young males and healthy older adults.  

14. Vitiello MV, Bokan JA, Kukull WA, Muniz RL, **Smallwood RG**, Prinz PN.  
Rapid eye movement sleep measures of Alzheimer's-type dementia patients and optimally healthy aged individuals.  

15. Vitiello, M., Bokan, J., Kukull, W., Muniz, R., **Smallwood, R.** and Prinz, P.  
REM sleep measures in healthy and demented elderly.  

16. Vitiello, M., Muniz, R., **Smallwood, R.**, Prinz, P.  
REM sleep measures in young males and in demented and non-demented elderly individuals.  

17. Prinz, P., Giblin, E., **Smallwood, R.**, Smythe, M. and Vitiello, M.  
Nighttime O2 desaturation and apnea/hypopnea in young and older men: Relationship with subjective questionnaire findings.  

18. Bokan, J., **Smallwood, R.**, Vitiello, M., Christie, C. and Prinz, P.  
Circadian rhythm of core temperature in healthy young men and in healthy and demented elderly.  

19. Prinz, P., Giblin, E., **Smallwood, R.**, Smythe, M. and Vitiello, M.  
Nighttime oxygen desaturation and apnea/hypopnea in young and older men.  

21. Prinz, P., **Smallwood, R.**, Giblin, E., Ralph, D. and Vitiello, M.  
Breathing dysfunction during sleep: Normative data for asymptomatic older adults in relation to sleep apnea syndrome.  

22. Vitiello, M., Bokan, J., Kukul, W., Muniz, R., **Smallwood, R.** Prinz, P.  
REM sleep measures of Alzheimer’s type dementia patients and in optimally healthy aged individual.  

23. Campbell, W., **Smallwood, R.**, Prinz, P., Muniz, R., and Martin, D.  
FFT power spectra analysis of delta, theta, alpha and beta activity in the all night sleep EEG of young and elderly subjects.  

24. Avery, D.  **Smallwood, R.**  
Circadian temperature rhythms in primary depression.  

Invited Presentations:

1. 22nd Annual meeting Association for the Psychological Study of Sleep Effects of Phenobarbital on sleep patterns, plasma growth hormone and plasma cortisol in healthy young men. June, 1981 Boston, MA.

2. 23rd Annual meeting Association for the Psychological Study of Sleep Sleep Apnea in Alzheimer’s Dementia. June 1982. San Antonio, TX.
